NFPA – The Leader of the Paralegal Profession™

BY POPULAR DEMAND NFPA LAUNCHES
FIRST NATIONAL LEGAL TECHNOLOGY CONFERENCE
SPECIFICALLY FOR PARALEGALS

The place for paralegals, attorneys and other legal professionals to gain knowledge, perspective, and insight into the benefits, challenges, and pitfalls of legal technology. Learn about major trends and technological innovations that will affect your career, your profession, and your organization now and in the years ahead.

July 19th and 20th, 2007, NFPA launches its first Tech Institute at the Omni William Penn Hotel in downtown Pittsburgh. 300 participants are expected to attend and take advantage of 28 educational seminars, including speciality sessions offering demonstrations of new software, product information, and related services. Technology products and services will also be featured in an interactive trade show.
