

Volunteers Needed

MCPA values our members and sponsors and we need you to bring information to our members about our events and CLEs!!

If you attend a CLE or event and want to write an article about that event or CLE, the MCPA would appreciate and encourage you to have your article published in our newsletter and shared on our listserv.

Your article along with your name and picture, if you like, will be published in our newsletter. The MCPA wants to bring these recaps to our members so they can read about our engaging guest speakers, our charitable events, and our informative and educational CLEs that the MCPA has to offer.

Our valued sponsors and members make these events and CLEs possible which contribute to the success and mission of the MCPA. We want to encourage our members to write an article and share these great moments to bring awareness and enjoyment to our members and encourage others to get involved.

CLEs and events are a great time to network and meet other paralegals and members of the MCPA. We want to see you and we want to hear your voice.

We hope to see you at the next event or CLE and read your recap in our newsletter.
