Our Association is ever evolving, along side of the fast paced legal field. Although we’d like to think our publications are current with the times, sometimes change laps us. With that being said, the Newsletter Committee is hoping that this new format to MCPA Quick News is found to be easily navigated and welcomed by our membership. However, should you have suggestions, help is always welcome. If you would like to be part of the Newsletter Committee, please [CLICK HERE](#) to reach out directly .
